

SCAFFOLDING INDUSTRY

**INSURANCE & RISK MANAGEMENT
PROGRAM EXPERTS**

SCAFFOLDING SPECIALISTS

We are scaffolding insurance and risk management leaders with over 25 years of experience creating comprehensive programs. Our lucrative long-term carrier relationships enable us to have exclusive access to unparalleled coverages, including hard to write risks like workers' compensation and general liability insurance policies. We are respected industry experts as a long-standing member of the Scaffold & Access Industry Association (SAIA).

RBN TEAM

We are dedicated and informed insurance and employee benefits advisors. The trust of our clients and business partners is critical to our success, and we seek to build that trust through every interaction.

WHY CHOOSE RBN?

We provide insurance and employee benefits solutions for middle-market businesses and their owners. As a family-owned business, we are committed to building long-term relationships with our clients, carrier partners, and team members. We excel in working with higher-risk, higher-complexity operations where our insights can be differentiating.

PROFESSIONAL BACKGROUND

Matthew Dennett is a Vice President with RBN Insurance Services ("RBN") and has been with the firm since 2005. Matthew develops strong client relationships based on trust, service, and industry knowledge. Leading the Elevator & Scaffolding Insurance Team at RBN, Matthew is involved with all client programs throughout the entire process and ensures frequent check-ins to make sure all insurance and risk-management needs are satisfied. Matthew develops unique and custom programs, placing appropriate and competitively priced coverage for his clients.
